ITALIAN ASSOCIATION OF CHEMICAL TRADE
AssICC

CONFCOMMERCIO
IMPRESE PER L'ITALIA

OVER 70 YEARS OF EXPERIENCE AND KNOWLEDGE AT THE SERVICE OF OUR MEMBER COMPANIES

AssICC is the Italian Association that has been representing since 1946 chemical trade companies dealing with base and fine chemicals for several industries such as: pharmaceutical and cosmetic, petrochemical and thinners, electro-plating, textile and auxiliaries, food and nutraceuticals, plastics, rubber, agrochemicals, inks, paints and laquers, detergency, leather, industrial waxes, resins

AssICC has a lean and efficient structure which is active in taking care of the interests of member companies and in supporting their development

AssICC is the answer to the needs of member companies to cope with the requirements of the market

AssICC is where companies can find reliable and up to date information on laws and regulations

Who is

AssICC IS THE VOICE OF THE ITALIAN CHEMICAL TRADE IN THE MOST IMPORTANT INTERNATIONAL ORGANIZATIONS

FECC - European Federation of Chemical Distributors

ECHA - European Chemicals Agency

European Commission

ICTA - International Chemical Trade Association

NACD - National Association of Chemical Distributors

CETS - European Committee for Surface Treatment

SCI - Society of Chemical Industry

EESC - European Economic and Social Committee

AssICC CO-OPERATES WITH ALL THE MAIN INTERNATIONAL ORGANIZATIONS OF THE CHEMICAL WORLD

AssICC REPRESENTS Italian companies which trade, produce and distribute chemical products. Member companies range from large multinational to smaller local distributors, from international to small family businesses. Since several years, AssICC has also been representing companies offering auxiliary services to the chemical trade: logistics, transport, consultancy, laboratories, environment and ecology etc…

AssICC PROMOTES A CULTURE WHERE PRIORITY IS GIVEN TO ETHICS AND TRANSPARENCY, WITH A PARTICULAR ATTENTION TO THE ENVIRONMENT, TO QUALITY AND SAFETY

AssICC IS ISO 9001: 2015 CERTIFIED

AssICC has created in May 2012 an ethical code adopted as a guideline to underline our ethical and social engagement towards our counterparts

Responsible Care
AssICC

AssICC's Responsible Care Program originates from the determination to promote correct procedures for a safe handling of chemical products, on the basis of a specific international model for the distribution sector.

AssICC ORGANIZES conferences, workshops and seminars

AssICC PROVIDES economic and market surveys

AssICC PUBLISHES a bilingual directory which is well known in Italy and abroad
